Due to the many variables in downtown parking requirements, permits will be evaluated on a case by case basis. Please complete this application and either drop it off, fax it to 805-641-2775, email it to "parking @cityofventura.net" or mail it to: City of Ventura, Parking Management, Room 120, Ventura CA, 93001. Once the permit has been processed and completed we will contact you to have it picked up.
